SWIMMING TEAM

(Continued from page 1)

105-Yard Swim—Won by Untersee, Tech; R. Heywood, Worcester, second; Pratt, Tech, third. Time 1m. 1s.

The swimming team from Brown University was no match for the Institute men and was easily defeated Saturday evening at the Cambridge Y. M. C. A. tank. Tech took every first place and four seconds, running up a total of 45 out of 54 points.

The relay was won by Technology. Capt. Gay, first man for Tech, tied Brown's best man, enabling Untersee, Scranton and Foster to gain on their team.

The 220-yard event was easily won, Bolan of Tech winning his heat in 2 min. 55 sec. flat, and Capt. Gay, who has cut his time down from the first of the season, won his heat in 2 min. 51 1-5 sec.

The tank at Cambridge is much too short for the plunges, so this contest was decided by time. P. D. Peltier '19 plunged the length of the tank in 45 seconds. Wales, after plunging 70 feet at Worcester, covered the distance only in 45 2-5 seconds.

The team is now training hard for the big Intercollegiate meet at Philadelphia, where they hope to take not only the relay, but some of the dashes. The times this year compare favorably with the best times of many of the record teams and it looks as if the intercollegiate record for the relay can be beaten. The present time for the Technology relay is only one second behind the intercollegiate record.

The prospects for the team for next year are excellent, as no men will be lost by graduation. At a recent meeting of the team the following officers were elected: Max Untersee '19, captain; Paul D. Scheeline '19, manager; Dudley Bowles Murphy '19, assistant manager.

The summary:—

Relay Race—Won by Technology (Gay, Untersee, Scranton, Foster); Brown, second (Peters, Fitzgibbons, Shaw, Lawton).

Fancy Dive—Won by McAllister, Tech; Lawton, Brown, second; Green, Brown, third.

40-Yard Swim—Won by Scranton. Tech; Foster, Tech, second; Shaw and Peters of Brown, tied for third. Time, 20s.

220-Yard Swim—Won by Gay, Tech; Bolan, Tech, second; Green, Brown, third. Time 2m. 51 1-5s.

Plunge—Won by Peltier, Tech (distance 60 ft., time 45s.); Wales, Tech, second (distance 60 ft., time 47s.); Williams, Brown, third (distance 57 ft.)

100-Yard Swim—Won by Untersee, Tech; Foster, Tech, second; Fitzgibbons, Brown, third. Time, 1m. 2s.

DIRECTORY OF FOREIGN STUDENTS PUBLISHED

The Directory of foreign students in the United States for this year is now out. This year's issue is very complete, 321 institutions and 101 nationalities being represented in it. In previous years this directory has been distributed free of charge, but as a result of H. C. L. a nominal sum of twenty cents is the cost of the book.

GRIND COMPETITION

As a result of the Fraternity Competition for grind material which was recently conducted by Technique 1918, Kappa Sigma was awarded the prize. This consists of a volume of Technique 1918 containing a suitable statement of the award, and having the Greek characters of the fraternity embossed in gold on the cover.

HOCKEY TEAM LOSES TO EAST SIDE CLUB OF PROVIDENCE

The hockey team journeyed to Providence Saturday to play a game not scheduled, and met defeat at the hands of the East Side Club by the score of 3 to 1. The Institute team played a good game, but the rough ice prevented any spectacular work, and resulted in many spills. The teams played as follows:—

TECHNOLOGY	EAST SIDE
Parker	Pratt
Cashin	Robertson
Ross	Chamkin
Cochrane	F. Read
Tutein	M. Read
Lowengard	Budlong
Score, East Side Club 3, Technology 1. Goals, Robertson 2, F. Read, Ross. Referee, Dandene. Time, 10 and 15 minute periods.	

ATHLETIC ADVISORY COUNCIL.

(Continued from page 1)

nology has the best team in the intercollegiate ranks today.

The track season was outlined by Manager White and remarks were made by him on the probable success of the team in the coming meets. Note was made of the great impetus given the indoor season by the addition of the board track, sufficiently attested by the fact that over 100 men ran on it the first day of its installation. Manager White also spoke of the Indoor Intercollegiate, which are to be held in Philadelphia this year, at which Technology will be represented by two teams.

L. L. McGrady, chairman of the Budget Committee, introduced a very interesting topic in regard to the ranking of the sports at the Institute, and in this connection the communication from "Never Tell" in Friday's issue of The Tech was read. After expressions of opinion from all present, the Advisory Council temporarily dropped the matter; deciding to wait for expressions of opinion from the undergraduates. The Council also offered its services to work in co-operation with the new Budget Committee, proposed by the Ways and Means Committee report.

MINERS TO HEAR LECTURE ON MINING IN CHILE

"Three Years of Mining in Chile" is the subject of a lecture to be given to the Mining Engineering Society, Wednesday, Feb. 28, by Mr. John H. Pray. Mr. Pray is a mining engineer who has had considerable experience in the exploitation of mines in the South American country, and is a very interesting speaker. He will illustrate his lecture with spectroscopic slides taken for the Guggenheim interests, by whom he is employed.

After the lecture a new secretary will have to be elected from the Junior members of the Society to succeed R. W. Rogers '18 who has had to resign.
