VENUS
10¢ PENCIL

No matter what course
you're taking you need
this famous pencil!

BECAUSE of the
superlative quality of
material and workmanship,
VENUS is the finest pencil
it is possible to make.

If you like a thick soft
lead that marks so that you
can read the writing half-
way across the room, choose
the soft degrees 6B-5B-4B.

For short-hand notes or easy writing
3B-2B-B (medium soft) are
popular.

For sketching, general writing pur-
poses, etc., HB-F-H-2H
(medium) will prove desira-
ble.

For drafting, a medium
hard pencil gives the best
results and you'll like 3H-
4H-5H-6H.

For very thin, narrow lines
for extremely accurate
graphical charts, maps, details, etc.,
7H-8H-9H are available.

Look for the distinctive water
mark finish on each of the 17 black
degrees and hard and medium copy-
ing.

Your professors will confirm these
statements as to the merits of
VENUS pencils.

For sale at the college book store.

ARCH. ENG. SOCIETY

The Architectural Engineering Soci-
ety will hold its next meeting during
the week beginning February 26. Mr.
R. D. Bradley, a former instructor at
the Institute and now in business for
himself as a consulting engineer, will
probably be the speaker. The Society
is planning some trips for the latter
part of the year. The New England
Structural Steel Company at Everett
and the Plate and Angle Shop of the
Fore River Shipbuilding Corporation
will probably be visited.

Another feature of the Society will
be a large smoker which will be given
for both options. Some of the coming
speakers are Mr. F. H. Fay '93, of Fay,
Spofford and Thorndike, Consulting
Engineers, and Mr. Tuttle of the Aber-
thaw Construction Company.

FACULTY NOTICE

Feb. 19, 1917.

The exercises of the Institute will be
suspended on Thursday, February 22nd
(Washington's Birthday).

A. L. Merrill,
Secretary.

ENGINEER COMPANY

There will be a meeting of the com-
missioned and non-commissioned officers
of the Engineer Company today at 5
o'clock, immediately after the lecture
in Room 3-370. Captain Downing
expects every man to be present.

BANKING AND SAFE DEPOSIT

The nearest Cambridge bank to the
Institute is the Central Trust Company.
Its main office is at No. 599 Massachu-
setts Avenue, exactly at the easterly
entrances and exits of the Central
Square Station of the Cambridge sub-
way.

The Central Trust Company is not
only the oldest bank in Cambridge—the
business having been established in
1826—but it also is the largest subur-
ban trust company in Massachusetts.
This institution has built up its busi-
ness and increased its clientele by the
high character of the service it renders
to the public.

On checking accounts two per cent.
interest is allowed. This bank has al-
ways paid four per cent. on savings
accounts and interest begins on the first
day of each month. There is no limit
to the amount which may be deposited
in the savings department. The safe
deposit vault is on the ground floor and
the rates are one-half the Boston ren-
als. This company also has a large for-
eign exchange business. The members
of the Technology faculty who are stor-
ing valuable books and manuscripts
can have their books and papers much
more accessible by having them in the
Central Trust Company vaults. The
company calls for and delivers storage
without charge.

The business hours of the Central
Trust Company are very convenient and
will meet the requirements of both the
members of the faculty and the stu-
dents of the Institute. The bank's doors
are open every day, except Saturday,
from eight A. M. to four P. M., and on
Saturdays the hours are from eight A.
M. to one P. M. and from six to eight
in the evening. Saturday evening all
departments are open and all lines of
the company's business are transacted.

Banking business may be transacted
by mail, as this company has facilities
for expediting and safe-guarding any
business transacted through the mails.
Deposits in the Central Trust Company
may be made at any United States mail
box.

The professors and students of the
Institute will find that the Central
Trust Company is mindful of their
special needs and that it offers them a
banking service that is not only highly
efficient, but that is also cordial and
neighborly.—Adv.

FRESHMAN TRACK MEETING

On Friday of this week at 4.15
o'clock in the Track House, there will
be a meeting of the Freshman Track
Team. The meeting has been called for
the purpose of electing a captain of
the 1920 team and to get the members
together for a discussion of the com-
ing season. The men who made
trip to Lowell High School are eligible
to vote.

COMMUNICATION

To the Editor of The Tech.
Through an error on the part of the
1917 Class Day Electoral Committee
the names of E. A. Rounds and R. J.
McLaughlin were not printed. In jus-
tice to these men, those desiring to
vote for them are requested to write
their names on the ballot at the foot
of any column with a cross to the le
of the names.
