MAGNETIC LEAVES WILL SEE
BIG REGENERATION PLAN
To Visit Detroit Motor Cold Storage Co. Tomorrow

Through the courtesy of Mr. E. F. Elsberry, President of the Detroit Motor Cold Storage Co., a trip through the physical quarters of the Mechanic for Swamp Society has been arranged for the afternoon. One of the features of this trip will be the appearance of the refrigeration plant. This is the latest type of plant which is used in modern refrigeration. During the summer of 1919, a trip through the refrigeration plant was taken by the members of the Mechanic for Swamp Society, and the members were enthusiastic in their praise of the plant. The trip will be arranged for this coming Thursday, and it is hoped that all members of the Mechanic for Swamp Society will be present.
