Work of Mobilizing Alumni Continues

Institute Graduates Are Blazing the Way in Gathering Together Technical Resources of U. S. In Case of War

In CHARGE L. W. Litchfield '90

The Alumni of Technology have appointed a committee of twenty-five Alumni, called the Alumni Committee for the Mobilization of Technology's Resources. The committee, formed by L. W. Litchfield '90, is a body of professional engineers who will be given the task of mobilizing the technical resources of the country.

L. W. Litchfield '90

The Executive Committee of the Alumni Committee for the Mobilization of Technology's Resources, under the chairmanship of L. W. Litchfield '90, has been formed.

Dr. Rowe Will Talk At Tech. Technology will, in case of war, be the technical resources of the country. 

Dr. Rowe will talk at Tech. The letters accompanying the list to each member of the Alumni through the First Class Boats. It is probable that more men turn out from the 1917 class than any previous class. On Saturday afternoon at the Newell Boathouse, six crews worked out in the tank.

CREW MEETING TOMORROW

(Continued on page 3)

SOPH DINNER TOMORROW

Professors Wickenden, Robinson, and Editor Speak

The Sophomore Class will hold their first dinner of the year on March 15, 1917, at 6:30 o'clock in the Caf. The management has succeeded in securing the services of the Musical Club to furnish the entertain- ment and make the banquet an event that will be long remembered.
