## VENUS 10¢ PENCIL

No matter what course you're taking you need this famous pencil!

**BECAUSE** of the superlative quality of material and workmanship, **VENUS** is the finest pencil it is possible to make.

If you like a thick soft lead that marks so that you can read the writing half-way across the room, choose the soft degrees 6B-5B-4B.

For short-hand notes or easy writing 3B-2B-B (medium soft) are popular.

For sketching, general writing purposes, etc., HB-F-H-2H (medium) will prove desirable.

For drafting, a medium hard pencil gives the best results and you'll like 3H-4H-5H-6H.

For very thin, narrow lines for extremely accurate graphical charts, maps, details, etc., 7H-8H-9H are available.

Look for the distinctive water mark finish on each of the 17 black degrees and hard and medium copying.

Your professors will confirm these statements as to the merits of **VENUS** pencils.

For sale at the college book store.

**FREE!**

This box of **VENUS** samples free. State the course you are taking.

### VEREIN WILL HEAR ABOUT STUDENT LIFE IN GERMANY

The Deutscher Verein will hold its regular monthly meeting and dinner in the Caf this evening at 6 o'clock. Godfrey Priester, president of the Harvard Deutscher Verein, will give an address on "Student Life in Germany." The talk will not only be instructive, think the officials in charge, but should be most interesting, since the life of an undergraduate in a German university is in many ways different from that in our own American institutions of learning. Members of the Faculty and instructing staff of the Institute, as well as those undergraduates interested in a better understanding of the German language and customs, are cordially invited to attend. For those who have intentions of joining, the officers announced that this will be the last opportunity to join under the old system, for at the next meeting the now framed constitution will go into effect, and under this members will be voted in.

### LATIN-AMERICAN CLUB TO HOLD DANCE

The Latin-American Club of Technology is planning a dance to be given the first part of next month, probably the 13th. The committee in charge of the entertainment, A. de Zubiria '18, Besa Mont '19 and N. E. Alvare '19, have made temporary arrangements with the management of the Hotel Tuilliers for the above date. All members of the club are cordially invited to attend, but on account of limited floor space, other attendance will be by invitation of the committee.

### FIRST MEETING OF JUNIOR BASEBALL MEN NEXT FRIDAY

### CREW MEETING

(Continued from page 1)

urday at practice. K. E. Pote, who rowed on one of the Harvard club crews last spring, is at number seven, while H. A. Berliner, who spent two years at Cornell and rowed on the college crew there, is stroking the eight. The Sophomore eight contains two of the football players, while another of the eleven is in the second boat with a good chance of rising. Capt. Deacon stroked the Sophomore boat last Saturday while L. M. Quick was at number seven.

The crews as they rowed last Saturday are not finally picked and there will be numerous changes made next Saturday afternoon, some of the second crew men having showed better work than the men in the first boat. The order of the Junior, Sophomore and first two freshman crews as they rowed last Saturday is as follows:

1918—Stroke, Berliner; 7, Pote; 6, Pope; 5, H. J. Goldsmith; 4, Neuberger; 3, Young; 2, Lehmkuhl; bow, Allen.

1919—Stroke, Deacon; 7, Quick; 6, Weiskettle; 5, J. Falkenberg; 4, Daube; 3, R. L. Falkenberg; 2, Sherman; bow, Webster.

1920, first—Stroke, Burroughs; 7, M. H. Taylor, Bigelow; 6, Fitzgerald; 5, Rowen; 4, Higgins; 3, Stuart; 2, Berg; bow, Turner.

1920, second—Stroke, Schildbach; 7, Whitten; 6, Mills; 5, Breck; 4, Goldsmith; 3, Noelke; 2, Wason; bow, Lawson.
