I, have an important question of affiliating with the American Institute of Electrical Engineers.

CHEMICAL SOCIETY

CHESTER H. POPE TO DESCRIBE APPLICATION OF LIPOPHTICNG

At the meeting of the Chemical Society the morning of Thursday, Sep. 26, chester H. Pope, the father of the art department, will give a lecture entitled "Printing and Liquidlogging Applied to Reproduction of Art Subjects." As this is practically a novel process of his own invention, the talk will prove interesting to all those present.

Music Department of the Institute will furnish the orchestra for the program. The trip management has been informed that a number of the fraternity members will be present at the meeting, at which a sketch may be made of the plans.

PERMANENT PREPAREDNESS COMMITTEE APPOINTED

WILL ANNOUNCE ARTISTS AND SINGERS TO JOIN JUNIOR PROM

The Institute Committee has appointed a permanent Preparedness Committee composed of A. T. Ewing, chairman, A. B. Bevan, and R. W. G. Brown, to take over the organization of that body from the committee which has been working on the scheme to date.

ART COMPETITION TECHNIQUE 1919
