## MARMON 34

### BEAUTY More Than Varnish Deep

Though it be clad in the beauty of a thousand stars, yet if it has not truth it is an abomination.

A well proportioned body and a sleek surface may cover, to the eye, a multitude of sins.

The Marmon 34 has the beauty of simplicity; the perfect line, the graceful curve, the delicate balance, and the poise that power gives.

Unadorned, undecorated, without frills or furbelows, the Marmon 34—exquisite in every detail of refinement—is a joy to the beholder.

But lift the hood and gaze into the heart and soul of the car—the engine. Here is where character is disclosed; here are truth and honesty, intelligence and experience.

Examine the bearings, consider the oiling system, count the grease cups, note the rear axle design, challenge the steering device.

Weigh it, test it, examine every detail—the Marmon 34 welcomes microscopic inspection.

Then ride in it, drive it—a quick turn through crowded traffic, along stretch through open country.

Beauty is truth, truth beauty. In this belief the Marmon 34 is built.

#### M. E. SOCIETY SMOKER

Odin Roberts '88 Will Speak on Patenting Inventions

Mr. Odin Roberts '88 will speak at the Mechanical Engineering Society smoker which is to be held Friday night at 8 o'clock. Mr. Roberts, who was formerly a lecturer at the Institute and who now lectures at Harvard, is one of the most prominent patent attorneys of the East. The subject of his talk will be the "Procedure in Patenting Inventions," and in conjunction with this he will also discuss the control by a corporation of the invention of an employee. Mr. Roberts will answer any questions which the men may ask concerning patents.

E. P. Warner '17, who will be the student speaker of the evening, has not yet announced the subject of his talk.

The M. E. Society cordially invites any men who are interested to be present at this meeting.

#### TECH SHOW

There will be an important rehearsal of the combined cast and chorus this evening at 7.15 o'clock in Room 1-190 to prepare for the first stage rehearsal to be held next Sunday.

Many applications for seats at the Northampton performance of "Not a Chance" have already been received. Technology men desiring seats at Northampton must file their applications personally in the Show Office before April 7, after which time no applications can be considered. The money is payable upon the receipt of ticket; not with the application. These performances at Northampton will be given the matinee and evening of April 19. The management expects full houses as this day is a legal holiday.
