TECHNIQUE RUSH DUE SOON

**LAST YEAR'S TECHNIQUE RUSH**

The Technic Rush this year will be on Thursday, April 13th, from 1:30 p.m. to 3:00 p.m., in the front part of the gymnasium. All men with active service on the gun at the Institute will be present. It is to be conducted in a military fashion; the senior and junior Lieutenants will be in charge of the lines and things are executed in the proper military form. It will be a signal of colors and have the proper bugles and drums in the camp as well. Each line will be responsible for its order and each man accountable to his own line. All who have paid the final payment of $10.00 for rifle and ammunition must be present. There will be roll called by line and each line will come to the order. Each man will then be on his own, meaning the drill will be left to the discretion of the men, and they will be responsible for the execution of the drill. Each line will be required to have an ensign and a bugler. In addition, the first trip to the Walnut Hill will consist of thirty men who are members of a rifle club office Monday morning. There will be the representative of the Technic Rush Committee, who will give the command to the men and explain the drill.

**ACTIVITIES TO CONTINUE**

**Don't Skip Even in Peace of War**

The regular meeting of the Technic Rush Committee was held yesterday afternoon at 1:30 p.m., at which the following activities were supervised: The first meeting of the Committee, the first meeting of the Executive Board, and the first meeting of the Junior League committee.

The first meeting of the Committee was held in the Technic Rush office. The President, A. R. Qualifications, read an address and was approved. A petition from the Technic Rush Committee was presented, which was referred to the Executive Board for further consideration.

Dr. M. E. Brayton, the President of the Technic Rush Committee, was present. The President then administered the oath of office to the members of the Committee, and the meeting adjourned.

**DUAL MEET TOMORROW**

The Annual Track Event will take place on Thursday, April 13th, at 2:00 p.m., in the front part of the Tech building. The event will consist of two meets, one being the track meet and the other the relay race.

**NEW COURSE FOR AIRMEN**

Aerio Club Members Who Want to Be Birdmen Eligible

Dr. M. E. Brayton, the President of the Aerio Club, was present. The President then administered the oath of office to the members of the Club, and the meeting adjourned.

**INTERFRATERNITY TRACK MEET BEGINS PLANS FOR APRIL 14**

In line with the other interfraternity contests, an interfraternity track meet is being planned for Saturday, April 14th. Whether plans will remain as they are now, or change, will be decided by the Executive Committee.

**TENNIS SEASON STARTS**

The season of tennis started with the first game of the season on Wednesday afternoon, with the Connecticut College High School at the Institute. The game was played in the gymnasium, and the final score was 15-3 in favor of the Connecticut College High School.

**TECHNIQUE RUSH DUE SOON**

The Technic Rush will be held on Thursday, April 13th, from 1:30 p.m. to 3:00 p.m., in the front part of the gymnasium. All men with active service on the gun at the Institute will be present. It is to be conducted in a military fashion; the senior and junior Lieutenants will be in charge of the lines and things are executed in the proper military form. It will be a signal of colors and have the proper bugles and drums in the camp as well. Each line will be responsible for its order and each man accountable to his own line. All who have paid the final payment of $10.00 for rifle and ammunition must be present. There will be roll called by line and each line will come to the order. Each man will then be on his own, meaning the drill will be left to the discretion of the men, and they will be responsible for the execution of the drill. Each line will be required to have an ensign and a bugler. In addition, the first trip to the Walnut Hill will consist of thirty men who are members of a rifle club office Monday morning. There will be the representative of the Technic Rush Committee, who will give the command to the men and explain the drill.
