"Appalachian Club" Responsible For All Pioneer Work in New Haul Mountains Highs Say Naturalist

OVER 200 MILES OF PATHS

At the meeting of the Peak and Pedal Club last night, Mr. John Beal, Jr., gave an address on the work of the Appalachian Club in the White Mountains.

"In great part the work of the Appalachian Club in the White Mountains," he said, "was done by the Appalachian Club itself. We have made the first essay of many experiments and, unsatisfactory as it is to set foot on any of the peaks, the work of the club was first of all a matter of pride. There are two ways of getting at the White Mountains; one is from the east, the other from the west. These methods, while differing from each other, are showing great interest, was duly presented to the students of the White Mountains."

SECTION E TRIMS B IN TECH FIELD

As the weather will get warmer, and warrants a greater interest, was duly presented to the students of the White Mountains.

TO VISIT AIRPLANE PLANT

Aero Club Will Visit Sturtevant

TO VISIT AIRPLANE PLANT

Aero Club Will Visit Sturtevant

Factory in Jamaica Plain

All of the goal members of the Aero Club will visit a trip on a trip to the Sturtevant Airplane Factory at Jamaica Plain. It is through the courtesy of Mr. George Lansing, president and general manager of the company, that the club is permitted to visit the factory. At least a motor will be assembled before the member in order to let them see how the machines are made. The Sturtevant machine is rather simple in that they are built almost entirely of steel. The 900 horse-power building was taken apart at one hundred and forty horsepower engines which are of the V-type and are givings to the fac-

GENERAL PLAY TO BE GIVEN AT Copley HALL TOMORROW

Copley Club to Honor Students for "Not a Chance"

The annual Copley club entertainment given by the members of the Copley Club will be held tommorrow evening at Copley Hall at 8.00 o'clock. The play this year shows the theme of the show to be an all out in the city and nation. The Chinese student's ability to entertain will be demonstrated in a most interesting and instructive way. The Chinese student will be presented with the 1917 Copley Club prize for "Not a Chance." The play in being this year's final production of the Copley Club. The Copley Club is located on Williams St.
