The Advantages We Offer

An efficient and courteous organization, progressive methods, large resources and three offices, conveniently located in different sections of Boston, combine to make the Old Colony Trust Company the most desirable depository in New England.

Capital and Surplus $12,000,000
Total Deposits over $125,000,000

Old Colony Trust Company
202 Boylston St., Boston

The Old Colony Trust Company is so well fitted to give advice in regard to the securing of positions to college graduates that each undergraduate will, in nominating to the committee, be chosen to solve new and unusual problems, and it is to be hoped that the committee will be fully organized before the summer term begins.

Through the committee and its sub-committees, the alumni problems, and it is to be hoped that the committee will be fully organized before the summer term begins.
