I are again back at school. Summer school nine is to stage no college stars, were beaten decisively in the of games for the coming weeks. Sixs also will begin to turn out graduates, are expected to graduate an average of seven hundred seniors. George Institute of Technology on July 8 were opened at Princeton and the trained at the ground schools which than 1,200 candidates undergoing training. The Illinois 25, the University of Texas 19, team evident that the plans of Brig. graduation today of 142 candidates for write respect to personnel. Eleven days formerly engaged in the serve>*eDepartment of Izbox ava s~rv~e>*eDepartment of Izbox of the various universities and colleges in New York, following the lead of Williams, Brown, Harvard, Yale and Princeton hesitate for the graduates Athletic games is urged as the prime reason for possible emergencies of army service in Washington next month, at which of the various universities and colleges legislative athletics continues withollt on the northern end of the yards from the firing point and is situated off the front; but plenty of accommodation to leave with full equipment, for the taste of field work. It was a tired body work regularly on the staffs adjusting lighting condensers and applying light, and finished heat. The sense

ENROLLING EXPERTS FOR CIVIL WAR SERVICE

Government Now Mobilizing Talent of Country in Special Trades or Industries Vital to Success in War

FOLLOW ALONG APPR. PLAN

As a result of the efforts of the Board of Inquiry of the Committee on Special Trades, Federal officials have announced that it has issued instructions to a volunteer for service in employment of every kind and nature, and profess your necessity to the effective conduct of the war. These who have an interest to engage in such work, whether or not an applicant is a member of the profession included in the call, are invited to confer with the Bureau of Labor, United States Public Service Reserve, or with the head of the local bureau or the organization of the State where the work is to be done. The names of such members will be telegraphed to the nearest local bureau or the organization of the State where the work is to be done.
