MILITARY UNIFORMS

The Institute has long and is doing all in its power to impress

the young men that the value of mere intellectual development Dur- younlg college men

is stable whose enactments are suobject to the uncertain and fluctu-

at'sion of men trainina in our colleges and universities. It

is evidenced of this condition.

The condition whicle is to prevail is yet to be revealed, but thus

the change it was wished to be made

while the war was entirely in
