EDITORIAL.

The war in Europe is now entering its third week, and it is evident that it will continue for some time to come.

The situation has reached a critical point, and it is to be hoped that the peace-loving nations of the world will take steps to prevent a general war.

The United States has declared its neutrality, and it is to be hoped that it will remain so.

The President has issued a proclamation declaring a national emergency, and it is to be hoped that it will be effective.

The United States is now in a position to take action, and it is to be hoped that it will do so.

The world is looking to the United States for leadership, and it is to be hoped that it will not fail.

The United States is now in a position to take action, and it is to be hoped that it will do so.
