REDUCE STUDENT TAX TO TWO DOLLARS AND HALF

Ley of Institute Corporation
Compulsory With Freshman
and is Expected From All
Other Students

No Walker Memorial Expense

The compulsory student tax has been reduced from four dollars a term to two a half. This reduction was made because the use and necessity of the Walker Memorial is curtailled by the government's conscription.

The original petition for such a tax made by the Ways and Means Committee of the Undergraduate Corporation has been withdrawn, it was announced, because all members of the corporation had been made to understand that theWalker Memorial will not be in use.

According to the statute authorizing the tax, the proceeds of it will go toward the purchase of a piece of the battlefields. The amount of the tax is not yet known, but it is expected that a small part of the amount raised can be used to convert the Memorial into a more permanent monument against any member of the student body who dies for the country.

X-COUNTRY CALL TODAY

Princeton Meet Will Be Held Despite War

With the opening of the Institute for the fall, the first call for candidates for the four relay teams will be made. A complete schedule has been arranged for the track season. The races will be held each Saturday afternoon.

The first race of the season will be held Saturday afternoon, October 27. Field Day is scheduled for October 27. Field Day will be held on the athletic field of the United States Military Academy, West Point.

The preliminary trials for the Sophomore Relay Team will be held Wednesday, October 27, and those for the Freshmen Relay Team will be held the following Friday. A special appeal has been made to the freshmen to start training at once for these trials so that they may be well prepared for the main meet with the Sophomores. The freshmen will find that they can convert some 100's extra experience only by constant effort. The Sophomore team, which has won all its big battles in the Sophomore team meets, has a good chance of claiming the title this year.

One of the greatest changes in the track meet this year will be the removal of the track from the technical field to the athletic field.
