BILL PENDING TO MAKE NON-MEDICAL MEN ELIGIBLE FOR SANITARY CORPS

The Massachusetts Institute of Technology
CAMBRIDGE

RICHARD C. MACLAURIN, M.A., Sc. D., LL.D.

President

THE MASSACHUSETTS INSTITUTE OF TECHNOLOGY offers degrees of Bachelor of Science, in Civil, Metallurgical, Mining, Electrical, Chemical, Mechanical, and Agricultural Engineering; in Architecture, Chemistry, Electrophysics, Biology and Public Health, Physics, General Science, Geology, and Mathematics, and by special course in Engineering.

To be admitted to the first-year class, applicants must have attained the age of sixteen, and must pass satisfactory examinations in Algebra, Plane Geometry, and German, and must present teachers' certificates for two years of elective studies. A Division of three entrance subjects begins June and September or between two successive years in Paris.

Enrollment examinations are held at the Institute in June and September of each year. In June, applicants may be examined also by the College Entrance Examination Board in New York, Philadelphia, Chicago, and many other cities in America and Europe. A detailed plan of courses is given in advance, and will be mailed upon application.

Graduates of colleges and scientific schools of collegiate grade are admitted, without examining, to such advanced standing as it is warranted by their previous training.

Graduate courses leading to the degrees of Master of Science, Doctor of Engineering, and Doctor of Philosophy in Engineering are also offered. Special Research Laboratories of Physical Chemistry, Applied Chemistry, and Sanitary Science have been established.

Correspondence should be addressed to Prof. A. L. Hollis, Secretary of the Faculty.

PUBLICATIONS

The Annual Catalog (issued in December), the Report of the President and the Treasurer (issued in January), the Programmes (issued in June), and journals are in Admission to Students of other Colleges. Annual Reports of Advanced Study and Research.

Any of the above-named publications will be mailed free upon application.
