AS TECHNOLOGY MEN ALREADY WITH COLORS ON EUROPEAN TERRITORY

INSTITUTE Well Represented on Battlefield—Scientific Work of Alumni Committee Important

A

urgent appeal has been made to The Tech by various Tech- nology organizations to obtain accurate data concerning all those Tech men who have served in any capacity or manner on the battlefield. The Tech is filling all such data as it is received and will be published in order that records may be made of lives lost, and arrangements will be made of the presentation of medals posthumously to all who have served in any capacity or manner for their service.
