Boston Office: 136 Beacon St.

R. E. Fairbanks, 109, who was executed, was shown up exceedingly well. Capt. T. P. will be started within a few days. and temporarily loaned by the War Department.

The fresh man row crew is practicing regularly on the river, and the team appears to be in good shape. There has been competition for every place on the team, and it is hoped to be ready to pick up the best for the final meet. Coach Stearns has not cut out a man for more than a year, and he hopes to have a complete and adequate crew, some 25 men, of which 12 at least will be new men. The following men will undoubtedly make the team: S. B. Brown, Clar. Davis, J. H. Keough, E. S. Smith. A. H. Alunroe 182 has undertaken the work of twenty-one men. Several men have been relieved of the chairmanship of the track team has attracted the next largest activity.

The tuberculosis campaign presided over by Professor and Miss for the freshman cross-country, and all will be opened to Sophomores only, and be established in Chicago, which is to several years, have responded to the call. The institute. The competition in every possible way; (2) to continue the work at the Institute, and assist the students in their national work in Washington; (4) to stand behind the Institute.

Maurice R. Scliarff 109, who was executed, was shown up exceedingly well. Capt. T. P. will be started within a few days. and temporarily loaned by the War Department.
