The Aero Club of the Institute has set aside the afternoon for the meeting of all engineers and members of the Aero Club in a social meeting to be held in the library. The club will meet at 4 o'clock in the afternoon and will be conducted by the president, Mr. E. R. Walter. The meeting will be open to the public and all engineers and members are invited to attend.

During the meeting, the plans for the continued existence of the Aero Club will be discussed, and it is hoped that the club will continue to thrive and flourish for many years to come.

The Aero Club is an important institution for the advancement of aeronautical science and technology, and it is hoped that the club will continue to provide a valuable resource for its members and the public alike.

The meeting will be held in the library of the Institute, and all engineers and members are encouraged to attend.

PROFESSORS MOORE AND TALBOT ADDRESS CHEMICAL SOCIETY.

German People Favor War," Says Speaker.—"Are Informed by Authorities to Arouse Greater Iren Against Enemies"

HERMAN D DISCUSSES WOOL INDUSTRY

The first meeting of the Chemical Society was held Tuesday evening, October 18, 1917. The meeting was called to order by President Webb, at 8 o'clock. The purpose of the organization and called for the support of all men in the chemical community. He then introduced Professor Talbot, head of the Department of Chemistry, who talked on the subject, "The Value of Chemistry in War-Time."

The proceedings were then adjourned.

MEETINGS IN MEMORIAL

Big Speakers to Address Students and Alumni.

Plans are under way to arrange a number of entertaining events at the Harvard University Memorial, and the Alumni. A talk by a prominent speaker will open each entertainment and will be followed by music and recitations. Several more of the most popular vice presidents have been arranged. The program of the gatherings is to commemorate the men who fell in the war, and to bring the student body to a commoner sense and purpose, but also to keep the men in touch with the Alumni. Under the present circumstances, some difficulty has been experienced in starting the Memorial. The fact makes it probable that the entertainments will be held every second Sunday instead of every Monday as was originally planned. Speakers have also been heard by the audience who have been carefully adjusted by arrangements and the program has been selected to create a lasting effect on the audience. This on those who speak, but no other good, a natural program, will be arranged.

100 CENTS BIRDS

The Alumni of the class of 1910 will meet for dinner on Friday, October 21, at 6 o'clock, at the City Club, Mr. George G. Thomas, President, is the chairman. The dinner will be informal and open to all members of the Class and friends. Dinner tickets will be on sale at $1.50 each, and will be sold at the following places: 223, 5-17.

JACKSON BOWLING TEAM

The Jackson Bowling Team will meet at 8:00 o'clock today and will hold their first meeting of the season.

The team consists of the following members:

1. John Smith
2. John Johnson
3. John Doe

The team will meet every Thursday night at 8:00 o'clock at the Jackson Bowling Alley, located at 123 Main Street, Cambridge.
