THE SHOW SMOKER

T H E Korners' Smoker, held last Thursday evening, was successful to a degree never before attained on such an occasion. The programme was registered, as usual, with the best possible success, and every member of the audience, both undergraduate and graduate, was at the same time entertained and instructed. The only difficulty was the lighting of the room, but the fire did its duty well and the show continued without interruption.

WE EMPLOY NO HIGH PRICED SALES MEN TO SOLICIT YOU

When a man purchases once we rarely lose him as a customer.

Why?

Because we have always been able to give quality by supervising the manufacturing in our own workroom.

Because our prices are low for the kind of seeds we build. That is due to low selling expense.

Our Wish

is that you will investigate before ordering your soil or overcoat.
