**The Advantages We Offer**

An efficient and courteous organization, progressive methods, large resources and three offices, conveniently located in different sections of Boston, combine to make the Old Colony Trust Company the most desirable depository in New England.

**Capital and Surplus**  
$12,000,000

**Total Resources over**  
165,000,000

Old Colony Trust Company
12 Temple Place
Boston 22, Mass.

MISS A. I. DARLING  
Herrick's Theatre  
**Ticket Agency**

W e are the manufacturers of coal tar products—pyrrolone, and its salts and many preparations, which these materials form the chief ingredients.

Our plants at Parlin, and Deepwater Point, N. J., are designed and equipped with particular requirements of the coal tar industries in which our products are used, and they represent the most modern development in connection with the manufacture of these products. Brooklyn, N. Y.

Expert supervision and thoroughly experienced chemists direct our manufacture of the highest quality.

Expert supervision and thoroughly experienced chemists control our factory operations, assure uniformity of quality from the highest standard.

The Du Pont Company's large resources enable us to command the best available technical skill, materials and expedient facilities, and we are in a position to offer the best products in the high temperature metal industry.

We invite your correspondence.
