Death of a Former Technology Student

An Old-Timer's Farewell

The Freshman class was shocked and saddened by the untimely death of a former Technology student. M. I. T. A. A., a senior, had just completed his last year of study when he was struck down by the sudden and unexpected illness that claimed him.

M. I. T. A. A. was well known for his athletic ability and his contributions to the Tech community. He was a member of the Tech's track team and had won several awards for his performance.

The Tech community is mourning the loss of a valued member. His contributions will be sorely missed by all. Our thoughts and prayers are with his family and friends during this difficult time.
