**SWIMMING CANDIDATES WILL MEET TO ARRANGE PRACTICE**

All available candidates for the swimming teams are requested to be present in room 121, at 7.45 tonight, as all the necessary practice work will be explained and the practice schedule set up. Practice will be held five nights a week with the drill period of any one team.*

The team is about to enter upon the second year of competitive swimming. Although the captain and his crew are taken from the same team, who were unable to compete last year, there is a possibility that several of the new members will have to be replaced by new ones.

The team will have practice in the boats and in the pool. There will be swimming and diving meets with local clubs, and there will be a four-lap relay.*
