Senior photos for Technique must be taken before Dec. 1.

On December 1 all members of the staff and faculty, either in January or June, 1919, or at present unnumbered members of the freshman class, are expected to have had their portraits taken. This year, as in previous years, half the portraits of Technique will take place in the Tech office at any time. The Tech office is open every morning from 9:30 to 3:00, and 2:00 to 4:00. Extra appointments with the photographer may be made, but they must be taken the day before the appointment.

The portraits will be taken by Mr. C. L. Goodwin, and the cost will be $1.00 each. The first ten portraits, however, will be taken free of charge.

The portraits will be returned on the reverse side of the card.
