NEW SELECTIVE DRAFT DISCUSSION IN DETAIL
WILSON
Expresses Views in Preface to Book on Subject

President Wilson expresses his views on Selective Service in the preface to "The Book on Selective Service Regulations" and the speed and accuracy of the mobilization of the first continental draft. Some editorialism and a point or two - but in no way material reduction of the question would have to leave the Institute before obtaining their degrees. The proposed plan will in no way materially reduce the question of the facts as stated nor for the ideas expressed in the music will be satisfactory. A new series of informal dances in the Walker Memorial on Saturday evenings under the auspices of the faculty. The dormitory dance proved such a success that it has been decided to have a series of informal dances in the Walker Memorial. The sound of their feet has been heard all over the campus and the music has been enjoyed by all.

FRESHMAN HOCKEY
The initiative that the Faculty has taken to enable the men of the Sophomore and Junior classes to finish their work in adv.

At the time when the men are occupied with examinations, it is necessary that the students be able to work efficiently. The proposition that the examinations be held at the time of the commencement of the new term is not feasible. The examinations should be held at the time of the commencement of the new term. The examination should be held at the time of the commencement of the new term. The examination should be held at the time of the commencement of the new term. The examination should be held at the time of the commencement of the new term. The examination should be held at the time of the commencement of the new term. The examination should be held at the time of the commencement of the new term.
