COMMUNICATION

Mr. Paul Leonard,
Massachusetts Institute of Technology,
Cambridge, Mass.

Dear Leonard:

The following is a brief statement of my student Cell Wood Cutting Com-
pany. Having to present the amount of cell wood and the fact that the public is
warned that we can expect a serious shortage of cell, the Massachu-
setts Forestry Association believes that every effort should be made to
be collected by students of the various colleges.

There is a great variability of labor in cell wood when it is cut by
