Challenger Cleanable Collars

Challenger Cleanable Collars are better than mere "linen" collars. Because—instantly cleanable with a bit of soap and a damp cloth. They mean真正的 laundry bills.

Challenger Cleanable Collars have a stitched edge effect and real "dull lines" collar finish. Made in all popular and up-to-date styles. Half sizes, too. Ask your dealer for Challenger Cleanable Collars. If he does not carry a stock, send 25c, stating your particular size and style.

A booklet showing several of the most popular styles gladly sent on request.
