Toivette-de-luxe is the ideal Christmas gift. Ivory Pyra-lin is de luxe. It is distinctive in its grading "Ivory" ware.

Ivory Pyra-lin is made in various handsome designs—a round graceful pattern, a square or Colonial pattern, and the famous Du Barry design—each distinctive in its own exclusive way.

Brushes, combs, mirrors and manucure instruments, either as single pieces or put in handsome silk lined cases as sets. Ivory Pyra-lin can be had in better class stores everywhere. If your dealer does not carry it in stock, we will forward one of our handsome brochures showing several of our most popular articles in various patterns.
