RESUME REGARDING INTENSIVE COURSE IN NAVAL ARCHITECTURE AT INSTITUTE

...the intensive course in Naval Architec- ture at the Institute last spring and each such course is given during the summer. The course is not to be taken by any one person, but by a group of students. The object of the course is to give a thorough grounding in the various subjects necessary for the successful practising of naval architecture. The course is divided into two parts: the first, the study of the principles of naval architecture; the second, the study of the practice of naval architecture.
