RUSSIA IS LAND OF BIG OPPORTUNITIES

American Red Cross Mission

Urgently Needs American Capital and Enterprise

ENGINEERING PROBLEMS

The visit of the American Red Cross Mission to Russia has started a discussion in the American press about the economic and engineering problems of the country.

The Russian engineering schools, which are already well established, are expected to play a significant role in the development of the country.

For the purpose of investigating the situation, American engineers are sending a team to Russia to study the engineering schools and industries.

The team will include some of the leading engineers in the United States, and they are expected to return with valuable information about the engineering schools and industries in Russia.

Amusement Park

The amusement park, which is located near the center of the city, is expected to attract many visitors this summer.

The park features a variety of rides and attractions, including a roller coaster, a Ferris wheel, and a carousel.

The park is open daily from 10 am to 10 pm, and admission is free for children under 12.

RELAY TEAMS IN GOOD SHAPE FOR B.A.A. MEET

Men Have Been Working Despite the Poor Weather Conditions and Make Fine Impressions in Final Speed Trials

PRESERVATION MEET HOLY CROSS

The fact that most undergraduates are interested in the preservation of their school is evident from the results of the recent Preservation Meet.

The meet was held at Holy Cross, and the students showed a great deal of enthusiasm for the preservation of their school.

The meet included a variety of events, such as a race, a relay, and a tug of war.

NEW FRESHMAN CLASS

Applicants Number 109 and Wife\n
Greatly TAX Institute

At the present moment Technology as a whole is undergoing a transformation, and the efforts of the students are directed towards this end.

The students are working hard to improve the conditions of their school, and they are making good progress.

The new freshman class has shown great promise, and it is expected to play a significant role in the development of the school.

TECH SHOW

The Tech Show was a great success, and it attracted a large number of visitors.

The show featured a variety of exhibits, including model airplanes, model trains, and model cars.

The exhibits were well received, and the students were happy with the results.
