The following letter has been received from Mr. Van Remselaar Lang, chairman of the committee in charge of the N. Y. State Boy Scouts' Congress, which will be held at 11.00 a.m. on Saturday, May 18, 1918, at the Rochester City Auditorium. The letter is as follows:

The letter, which was written on behalf of the N. Y. State Boy Scouts' Congress, states that the purpose of the meeting is to discuss the current state of the Boy Scouts' movement in New York and to plan future activities. The letter also notes that the meeting will be attended by representatives from various Boy Scout councils across the state.

The letter concludes by thanking the committee for their work and expressing the hope that the meeting will be a success.

(Signed) MR. VAN REMSELAR LANG.

Letter of Appreciation of Money Collected for the American Red Cross

Mr. and Mrs. President:

We are writing to express our appreciation to you and the members of your organization for the magnificent efforts you have made in collecting money for the American Red Cross.

Your tireless work in promoting this cause has been a source of inspiration to all who have had the privilege of working with you.

We are confident that the funds you have collected will be used to good advantage and that your efforts will be rewarded.

Sincerely yours,

INSTITUTE FILES PETITION TO ARREST FINE ARTS OFFICER

A petition has been filed in the Supreme Court by the Institute for a jury trial in the case of United States v. Finke, who was arrested on a charge of violation of the Selective Service Act.

The petition states that the defendant has been denied a trial by a jury and that he has been held in custody without a hearing.

The defendant, Mr. Finke, was arrested on March 1, 1918, for violating the Selective Service Act. He has been held in custody ever since.

The petition concludes by请求ing the court to grant a jury trial and to release the defendant from custody.

WELLS PLEASSED WITH TECHNOLOGY

The Right Honorable and Most Reverend Cosmo Gordon Lang, D. D., Archbishop of York, of the Kingdom of England, has expressed his satisfaction with the technological advancements of the 20th century.

Archbishop Lang, in an interview with the press, stated: "The achievements of the 20th century are truly remarkable. The technology of the 21st century will undoubtedly be even more advanced."

The archbishop also praised the work of scientists and engineers, stating: "Their contributions have not only benefited mankind, but have also enriched our understanding of the natural world."
