I should have this afternoon at 4 o'clock, as the first number part, chosen, and the ballet will serve present plans continue, as is probable, men out 'so that there will -be a, larger desirable, work, so as many men as number of the dancers it has become true inl the case of orchestra members unable to obtain evening coats as was active composers. The plans are such that still another building may be erected at right an- put at the back of the Service Building.
