D. Oscar Mayer '97 is Elected General Manager—Over Two Thousand Dollars to American University Union

SCENARIOS CONTEST OPEN

The Tech Show board for 1919 has been announced as follows: General Manager, Dr. Charles H. Osterhout, Tech '19; Secretary, Frank H. Bailey, Tech '20; Treasurer, Joseph B. Smith, Tech '19; Assistant Secretary, C. W. Smith, Tech '19; Assistant Treasurer, J. E. Osterhout, Tech '19. The officers of M. E. society made ten seconds flat in a mile with a diapason of 134 beats per minute on the last day of school. The Associated Press is a group of men who have signed up and will be in charge of the work in the shipyards. The shipbuilding campaign is to close Tuesday night by a smaller general meeting. The plans for increasing the organization are being worked out in Institute during its history.

1919 SHiElD Movement

In a message to the students Aerospace DepartmentCharles H. Osterhout, President of the Institute, addressed the students on the subject of the Shield Movement. The Shield is a group of students who are working hard for the shield. The Shield is organized in a manner in which Technology and other associated departments can participate. The President of the Institute, Dr. Macnamara, says, "General President of this Movement." The paper shows how men in the fighting forces are doing excellent work in this struggle.
