In TOUCH WITH TECHNOLOGY

It is an army moves on its stomach, it fights on its letters from home. The soldier who is not satisfied with the fact that there he is, and the fact that he can get most of his back thinking caught up in a very few hours. After that, there must be some outside stimulus to take his mind away from the harrowing details of it all. That dread myv-

The letters ought to be newsy and cheerful, above all cheerful. Pic-
