INDUSTRIES AMERICAN

PYROXYLIN AND TAR PRODUCTS

We specialize in the manufacture of high grade Pyroxylin and Tar Products and years of experience in the production of these classes of chemicals for use in the manufacture of Explosives have given us a valuable knowledge in their use in the commercial field. We aim to suit our product to the consumer's needs and with this end in view, conduct laboratory experiments on all shipments of our products to make certain that the requirements have been satisfied in every respect.

The engineer who specifies Du Pont will be cer-
tain of getting a uniform, high quality product guaranteed to do the work for which it is intended.
