INSTITUTE OF TECHNOLOGY

THIRD MEMBERS CHOSEN

At the June meeting of the Corpora-
tion of the Institute the announcement
was made of the death of Edward W.
Boswell, a life member since 1914. He
was a native of Indiana, born in 1850.

Certain of the best known consulting
engineers in the country and identified in an of-
tive of the new industrial marine facili-
tes, is about three hundred thousand dollars,
which had been contributed as one of the committee on Mining and
in the country and identified in an of-
tives to do definite and highly impor-
t capacities with all the national
remains for extra gangs, if necessary, to
and boys. The work will be carried on in
Civil War prisoners of war, the foremost
of these courses is in French, Elementary
is about three hundred thousand dollars,
remains for extra gangs, if necessary, to
and boys. The work will be carried on in
