THE TECH

PHYSICAL DIRECTOR ENTERS SERVICE

Technology's most recent hero among its graduates, an ambitious and energetic young man named Lieutenant John A. Macdonald, has been called to serve in T. M. C. A. as chief and college-life adviser of the entire student body.

This appointment marks a significant step forward for the institution, as Macdonald is well known for his leadership and enthusiasm. He has been involved in numerous campus activities and has demonstrated a strong commitment to student welfare.

Macdonald's arrival is expected to bring a new level of energy and creativity to the campus, as he is known for his innovative ideas and practical approach to problem-solving.

The selection of Macdonald is seen as a strategic move to enhance the college's reputation and attract top students.

Under his leadership, the college is expected to make significant strides in academic and extracurricular programs, aiming to provide students with a well-rounded education and prepare them for success in their future careers.

The appointment of Macdonald is a testament to the college's dedication to nurturing the talents of its students and ensuring their success in the competitive world of higher education and beyond.

For more information, please contact the college's public relations office.
