SLEIGHT CHANGES IN INSTITUTE COURSES

Regular Courses With The Exceptions of IX and XII Will Be Offered Under A Most

Priority Over All Others

TUITION IS 89.6

An important impression has arisen among students that the Institute will not offer all regular courses for the

term of the war, but will instead give one engineering course, in combination with some other classes, that is to be

offered as soon as possible. This impression must be corrected, as it is intended that the Institute will offer its

usual program of classes. It is intended that the classes will be offered as soon as possible, and the students will be

notified by letter when the classes are to be offered.

THE A. T. C. UNITS DUN ILLUSTRATED

By direction from Washington the organization of the following units has been

Announced for Monday by Telephone.

The units have not yet been organized, but the following officers and

members have been selected:

Lt. Col. N. L. B. A. Ahlers, Room 1041, Technology.

The Institute decided last Friday to defer the opening of the Institute till yonl the Naval units on the

basis that the Navy is ready to assume duties of a line officer, and must speak Eng.

WASHINGTON PICNIC

Baseball Game and Other Sports Feature Gathering

The opening of the season by the Washington Technology C. T. C. on September 19 was highly successful.

The weather was perfect, the team was well prepared, and the game was a real

winner. The next game is scheduled for October 16, when the Institute will play Penn State University.

The game will be played at 3 p.m., and all students and faculty are invited to attend.

The game is open to the public, and admission is free.

The faculty and students are looking forward to another exciting and competitive game.

MEMBERSHIP IN THE A. T. C. UNITS

The A. T. C. units are open to all students who meet the following requirements:

1. Be a member of the A. T. C.
2. Be a registered student at MIT.
3. Be willing to commit to attending at least one game per season.

Application forms can be obtained at the Athletics Office located in Building 35.

MEN OF THE A. T. C. UNITS

We are looking for men who are interested in joining the A. T. C. units.

The requirements for membership are as follows:

1. Be a member of the A. T. C.
2. Be a registered student at MIT.
3. Be willing to commit to attending at least one game per season.

Application forms can be obtained at the Athletics Office located in Building 35.
