Crimson May SUSPEND

It is possible that yesterday mor-

ning's issue of the Harvard Crimson, the

official weekly publication, may be the

last copy ever for the duration of the war.

Colonel C. A. Wilson, commanding the

Harvard R. A. T. C., has informed that

number of the student crew must

over all connections with the college

publication, because a paper which is

published by men in the service would be

ensured and the military at the Har-

vard office here no time for that partic-

ular kind of work.

in our view of July 27 we described the

birth of Thomas F. Baker of the Class of

1920. We have recently ceased to

listen to him, and we are sorry to say

that the young man in question was his

father. William J. Baker, who never

attended Technology.

Thomas F. Baker of the Class of

1920 attended the Institute for nearly

two years, was a member of the R. A.

T. C. and expects to resume his studies

this year.

NOTICE

Active and former Harvard students have

been invited to attend exercises at the Institute.

Those desiring to attend must report to

the Information Bureau.
