TECH FIELD ON FRIDAY

The Technology Women's Association of the Institute held its weekly meeting on Friday afternoon at 4.30. The purpose of this meeting was to commemorate Dr. Richard's birthday. The president was her husband, Prof. Robert H. Richards, and the first roll was taken at Technology. The meeting was open to all Technology students and was attended by many women who found the meeting very enjoyable.

NATIONAL DIRECTOR EXPLAINS

APRIL EFFECTS

The first installment of the monthly art series of the American University Association is due to appear in the May issue of THE TECH. The series will be continued at regular intervals and will cover a wide range of topics related to the arts and humanities.

The Walker Memorial will be ours soon and some

THE WALKER MEMORIAL

It was decided that the Institute should be reorganized. This decision was made at a meeting held in the beginning of next term so that the officers can get things going during the summer. The Interfraternity Conference has never interfered with any of the Fraternities and it seems that the Institute has no need for the Committee of Four.

In the past, the Institute has had no need for the Committee of Four. This result is that the Institute has no need for the Committee of Four.
