Track House Gossip

The outlook for a successful season in track is becoming brighter. With a fair percentage of last year’s team as returnees, there is a wealth of promising material in the junior Freshman class. There is no reason why this team should not score even more sensational than that of last year.

The loss of Captains Bunting and Waldron makes the team even more hopeful. The return of such orators as Jim Devaney and Walt Rolfson give leadership, and the material is headed for victory.

Dover, who left for New York last week, will return soon, and with the return of such superstars as Jim Devaney and Walt Rolfson, Harvard should be quite expected.
