A PROBLEM FOR THE INSTITUTE COMMITTEE

AFTER half a year of suspended activity the Institute Commi-

committee to get the student life and activities re-established. Why

have a problem that has been present at the Institute since the

not to make culture just as important in the Massachusetts Institute

A LOST OPPORTUNITY

BY failing to carry out their scheme for intersection hockey

among the dormitories an opportunity was lost to start a

tradiion that would have been of great value to the dormitory

With interest once aroused in hockey, there is every rea-

now be continuous along through the base-

ball, bowling and tennis seasons. We hope that the men in the

dormitories and the faculty in the participating organizations

establish a valuable tradition should not be lost.

DON'T FORGET YOUR PLEDGE TO THE UNITED WAR WORK CAMPAIGN

THERE yet remains more than half of the money unpledged that

was pledged by the student body to the United States War

Work Campaign: $86,195 was pledged and only $41,467 has

been collected so far. It is time to dig deep, for the boys in France

are working hard this winter.

BE NEW INVESTIGATORS YET

The various requests of the students for the creation of new

organizations were stopped in the bud by Board of

Governors and President Branner. It is only fair to point out that

if he knew what the Board of Governors and President

would say to him he would say that he has no money to

instruct that he has no money to

himself that he has no money to

Furthermore, he is in no position to

he is in no position to

he is in no position to

We must be careful not to

continue the same work as in

the past, while there is no

only position to

the past, while there is no
