FROST INITIATED
(Continued from page 5)

As we have followed the flood arms of your electronics and the newer
summer of Technology have folded a wardrobe whereby the work
nyy of ignorance in your making
may be made effciently yet at

Through the ways may be devices
and the paths strange and forbidding,
think of joys to come, and so be strong.
"God help you—for no one else
would try this..."

Bullard Display 1212 Boston

The Bullard display was
located on the second floor of the dining
room and it was
