The Reverend Stephen Porter, pastor of the First Congregational Church of Nashville, attended the wedding of Miss Anna Burdett, 3rd, and Mr. David Burdett, to Donald Osborne Friend ?22, in Nashville, May 10. The ceremony was performed by Rev. Mr. Friend, in a private residence, and was followed by an informal dinner and reception. Miss Burdett is a graduate of Nashville College and has been teaching in the Nashville High School. She is the daughter of Mr. and Mrs. J. W. Burdett of Nashville, Tenn.

Philadelphia has a new laboratory which is being opened by the Pennsylvania State College. This laboratory is devoted to the study of the effects of high pressures on gases and liquids. It is equipped with apparatus for the production of pressures up to several million pounds per square inch. The laboratory is under the direction of Dr. J. H. Coyle, '20, and is expected to be of great value in the study of the properties of high pressure gases and liquids.
