**SUCCESSFUL SWIMMING SEASON NEARS CLOSE**

Team Has Only One Defeat Against University of Kentucky. Several Records Broken

INTERJEKTS ALONE TO GRADUATE

In spite of strong opposition, the Swimming team has come through the season unscathed, suffering only one defeat out of four and placing third among the Universities. Papers reported during the first part of the season were compiled by the committees of the Columbia, Drexel, Yale, and Harvard teams, and the results are eagerly awaited by the fans of all the teams.

**MINILOOP TELEPHONY IS LATEST INVENTION**

American Telephones and Telegraph System to Use the First Loop Phone. Designed Over One Pair of Wires

Many Alarm Concerned

The problem of multiplying telephones and telegraphy, one which has faced the world for years, is now being attacked at last by a new invention. By means of the telephones it is possible to transmit messages with the same speed as the current of electricity.
