suffering from concussion that

Some time ago there was quite a bit of discussion among un-

graduates of the Institute upon the subject of basketball.

A number of men bad the idea that they were deeply in-

interested in this sport and that arrangements should be made where-

by they could indulge in it at the Institute. What was the use of a

gymnasium in it if it could not be used for a sport which would

proves so beneficial to the students. The matter was taken before

the Advisory Council on Athletics and finally the desired

position was granted.
