Shoes, Hats, Furnishings, floor stock, just inside the door.

THE TECH

PROF. SCOWKEL TO TEACH

at H. C. AT BERKELEY, CAL.

Professor W. T. Scowkel, of the Massachusetts Institute of Technology, will be a guest lecturer in the School of Public Health, beginning on May 1 for one week. He is to give a series of lectures on "Nutrition and Public Health" before the evening session of the University at the Berkeley. Professor Scowkel is also to speak on the subject of public health at the annual meeting of the International Health Congress of the United States, and also appointed Director Health Services of the Board of Education.

1892 BASEBALL SCHEDULE

Partially Completed

Meat Of Coach Dan, Driver Member of Facility For Purpose

At the first practice of the 1922 baseball team Tuesday about fifty promising candidates appeared and displayed great field for so early in the season. As a result the team was fit and earlier in the week. Howard Russell Smith, 2th, captain, was elected manager at the same time. Manager Walsh immediately got in communica- tion with several of the promising players in the high school and high school teams in the vicinity of the school. The first man's first practice will be against the classics on Tuesday, April 22, 1922, Var- ious Academy, and other teams nearby. The team, which has been facing new men from college teams at the present time in an effort to impress the new players with the idea of the team so far it's season that the players is practically impossible to secure a man. It is the object of the manager that some other team of the faculty is in- forming him of his progress in this exercise as it is impossible to secure a man.
