OFFICERS CONTINUE WORK

Government Still Sends Men for Naval Architecture Course

Many of the men at the Institute are wondering why so many men are being sent out at a time when the students are not required to attend. A letter from a contributing point of view. In a short time, the second term is over, and the graduates from the various schools are slowly moving back to their normal pursuits. The men seem to be doing their best, but the explanation is no longer valid. Many believe that they have been misled and are not sure why.

Believe the worst, the men are the enemies of the Government for sending here men who are not fitted for their work. They are in the service of the country, doing their best to serve. They are in the service of the country, doing their best to serve.

Many of the men are in the service of the country, doing their best to serve. They are in the service of the country, doing their best to serve.
