J. D. Leland Tells of Housing Problems

On Wednesday evening, April 23, the management of the Massachusetts Institute of Technology, under the direction of J. D. Leland, held a discussion of the housing problem.

"During the period of reconstruction, which is really reconstruction of this country and its colleges, a number of businesses will be located differently," said Mr. Leland. "It was called to Washington in the fall of 1917 to speed up the labor ques- tion and to appropriate the necessary funds to the building of the 1,000,000
