DINSMORE ELLY, "A TECH MAN"

Said:---

"And I want to say, in closing, if anything should happen to

me, let's have no mourning, in spirit or in dress. Like a Liberty

Bond, it is an investment, not a loss, in a man dies for his country.

It is an honor to a family, and is that the time for weeping? I would

rather leave my family rich in pleasant memories of my life

than numbed in sorrow at my death."

WHY WILL YOU DO FOR YOUR COUNTRY?
