TCH SHOW ELECTS MANAGING STAFF FOR COMING YEAR

Percy Bugbee '20 is Chosen General Manager Of Next Performance—Call Issued For Scenarios and Lyrics For Annual Musical Comedy

COMPETITION OPEN IN FALL

TCH SHOW 1930 is already beginning its preparations for the coming year. At a recent meeting of the staff, the new management was chosen with Percy Bugbee '20 as the new Manager. Following this the next year's policy was outlined. Competition for the two main departments of TCH Show—Scenarios and Lyrics—will be held in the fall. A call has been issued for scenarios and lyrics and it is hoped that men will work on these during the summer. The show will be a musical comedy this year, but the management expects to include several new features.

VINES TOURNAMENT

J. R. Elliott, Jr., '21 Wins Tennis Championship

J. R. Elliott, Jr., '21, of Portland, Oregon, was chosen the winner of the annual Vines Tournament as the result of his victory over A. H. Wolfe, U.S.A., in the final game, played yesterday afternoon. The TCH Show's annual Vines Tournament, in which members of the TCH Show and students of the Junior Military College participate, was held at the Institute's grounds near the North Entrance. The two players, who were the only ones entered in the tournament, disputed the championship for two days. In the first game played yesterday, Elliott led by eight games to six, but Wolfe, who had been defeated by Elliott in the semi-final game, made a strong fight for the championship. The final game was closely contested, and the best of five set was won by Wolfe. The second game was won by Elliott, who was the eventual victor. The tournament was won by J. R. Elliott, Jr., '21, who was the only player entered.

WILL START/CONTINUE

Major Wolfe, U. S. A., Will Take Charge of Engineering Corps

Plans are now under way for the establishment of an Engineering Corps of the TCH Show this year. The new corps will be organized under the direction of Major Wolfe, U. S. A., who will take charge of the work. Major Wolfe has been in the business of engineering for many years, and is well qualified to direct the work of the corps.

WOLFE TECHNICAL SCHOOL

Walter McT. Wolfe, Engineers, U. S. A., has been chosen to direct the work of the Engineering Corps for this year. The corps will be under the direction of Major Wolfe, who will be in charge of the work. The corps will be organized for the purpose of training students in the art of engineering.

PREPARED PICTURES ARE READY

All men who subscribe Bulletin Plan will please call for them today at the Institute. They are ready and can be taken at any time.

TECH SHOW 1918

The first hospital ambulance which heard a medical call to reach the Institute was the one which was used by the Arbuckle Brothers in the Institute's annual show. It was a large, well-appointed ambulance, fitted with all the necessary equipment, and was driven by two well-trained drivers. The ambulance was fitted with a large number of stretchers, and was equipped with all the necessary medical supplies.

AMBULANCE PLANS MADE FOR 1919

All men who wish to try out for the 1919 Tech Department, as shown in the last year's show, are urged to make arrangements for the same. The ambulance plans are being made in order to provide the necessary equipment for the ambulance corps. All men who wish to try out for the ambulance corps should make arrangements for the same as soon as possible.

INSTITUTE COMMITTEE NO LONGER A LIMITEE

The Institute Committee is no longer a limited company. It has been reorganized as a stock corporation, and all the shares are now owned by the company. The committee has been reorganized as a corporation in order to provide the necessary equipment for the ambulance corps.
